

The Rollins Early Decision program is for students who have decided to make Rollins their first-choice college and should not be confused with Early Action programs at other schools. If accepted under Early Decision, students must withdraw any applications to other colleges and enroll at Rollins.

Rollins offers two rounds of Early Decision. Students applying Early Decision I must have their completed applications on file with us by **November 15**. Students applying Early Decision II must have their completed applications on file by **January 5**. Admission decisions are mailed two to four weeks after the application deadline.
